OFFICE OF LEGISLATIVE COUNSEL

Wednesday - 15 June 1977

1. [] BRIEFING At the request of Bob Dockery, Senate Foreign Relations Committee staff, and after having cleared it with [] I briefed Senator Richard Stone (D., Fla.) on the Cuban presence in Angola, using unclassified figures of 15,000 to 20,000. I told the Senator that a number of these are civilian technicians and not military []

[] He also asked about the status of the insurgency in Angola. I briefed him essentially on items that have appeared in the press. The briefing was held at this level because it was on the telephone. []

2. [] LIAISON Per her request, I mailed a copy of the Agency publication entitled "Potential Implications of Trends in World Population, Food Production, and Climate" to Mary Brady, in the office of Representative Samuel L. Devine (R., Ohio).

3. [] LIAISON Per her request, I mailed three copies of the Agency publication entitled "The International Energy Situation: Outlook to 1985" to Sally Steiner, in the office of Representative Patricia Schroeder (D., Colo.).

4. [] LIAISON Received a call from Dale Schmidt, in the office of Representative Robert W. Kasten (R., Wis.), who requested an Indian Ocean atlas and a USSR Agriculture atlas. I told Mr. Schmidt these would be mailed to him. The Congressional Support Staff was alerted and will forward these to us.

5. [] LIAISON Received a call from Lee Prouty, in the office of Representative John J. Rhodes (R., Ariz.), who inquired about the Agency conducting tours of the Headquarters building. I told her this program was still in the planning stages and would be glad to call her when things became more firm. She said that would be just fine.

6. [] LIAISON Kathy Keel, of the office of Representative Robert Edgar (D., Pa.), called to request, on behalf of a constituent, that an employment application (professional) be sent to her. [] of this office, was advised.

7. [] LIAISON I called Douglas Seay, Congressional Research Service, Foreign Affairs Division, to advise that our unclassified charts on the organization of the foreign ministries of the USSR and China would reach him on 16 June. I later called to advise that we keep no charts on the foreign ministries of the UK, France, West Germany and Canada, which he had also requested.

8. [] LIAISON Based on [] DDI/CSS, report that Senate Foreign Relations Subcommittee on Foreign Economic Policy Counsel, Jerome Levinson, had brought an unannounced colleague with him on 14 June to his meeting with [] OER. I called Levinson to ask that he advise us in advance if that may occur again, to allow us to make sure clearances are in order, etc. He promptly agreed that he would do so.

[]

10. [] LEGISLATION At the request of [] [] I reached David Schaefer, personal staffer of Chairman Abraham Ribicoff (D., Conn.), on the Senate Governmental Affairs Committee, and Committee Minority Counsel, John Childers, to arrange a meeting on a problem CIA has with S. 555. 11. [] LIAISON I received a call from Debbie Weyforth, in the office of Senator John Danforth (R., Mo.), concerning the CIA tours. I told her that nothing had been confirmed yet but hopefully the tours would begin in July and we would put their names on a list and would be back in touch as soon as we had firm information.

12. [] FBIS Received a call from Louise Reese, in the office of Representative Larry McDonald (D., Ga.). She said the Monday and Tuesday package of FBIS Daily Reports was very mixed up and not their usual subscription. They received copies of things they haven't ordered, etc. I asked her exactly what books they do want and she said they have subscribed for three copies of the Middle East book, three copies of the USSR book and two copies of everything else FBIS puts out. I told her I would get this straightened out immediately and apologized for the mix-up. She was not upset and said she understands computers do have a habit of getting things confused. I called FBIS immediately and they will check to see what happened and make sure it doesn't happen again.

13. [] CONSTITUENT Arthur Bryant, of the staff of Representative Allen E. Ertel (D., Pa.), called to ask on behalf of a constituent as to what kind of approvals were necessary for CIA covert action activities. I said I would call back with the appropriate language to describe the process.

25X1

14. [] BRIEFING Len Weiss, of the staff of the Senate Governmental Affairs Subcommittee on Energy, Nuclear Proliferation, and Federal Services, called on behalf of Subcommittee Chairman John Glenn (D., Ohio), to request a briefing for Chairman Glenn on the (recently-publicized) diversion of a shipment of uranium several years ago and on the "Apollo-NUMEC" activity involving possible diversion a few years ago of refabricated nuclear fuel rods. I said I would get back to him, and then asked [] CSS, to inquire if these were subjects we could brief on.

16. [] BRIEFING On the advice of []

17. [] BRIEFING Accompanied John Hicks,
D/NPIC, and [] NPIC, to a meeting with Representative Ron Dellums
(D., Calif.) and Robert Brauer, his staffer, and the Agency's assistance to
Ballou High School was fully explained. Congressman Dellums concurred
that our efforts were completely straightforward and recognized the fine
accomplishments made by NPIC in the EEO field. Brauer, for his part, agreed
but felt that perhaps we were not as sensitive as we should have been to the
active role played today by parents and faculty--in short we shouldn't have
assumed that approval or knowledge by the principal alone would suffice.
Congressman Dellums was very appreciative of our visit to explain the
situation and, although it is doubted that he will take any initiative in making
a statement, he is well briefed to respond if and when issues related to the
Ballou High School incident is raised in the future. In response to Mr. Hicks'
invitation, he said he would be pleased to speak to groups at the Agency.

I told them that the schedule was not yet firm, but agreed to take their name and telephone number and keep them informed. Senator Case's nephew is interested in a tour and would appreciate a reservation for 23 July if the tours are in operation at that time. I agreed to keep in touch.

4. [] LIAISON Talked with Col. Steven Harrick, DOD, regarding the electronic surveillance legislation and the view that both of us have that substantial amendments will be made to this legislation before it is voted on in the Senate. We also discussed the advisability of keeping each other informed of briefings we will be giving on the Hill, both formal briefings and informal staff and member sessions. It was agreed that we would send him our weekly list of upcoming briefings and he will do the same for us. He said he will also provide us with a note each day of briefings given on the Hill during the course of that day. I told him that [] was keeping track of these in our office and I would have her be in touch with him.
